BOARD OF ACCOUNTANCY

WHAT DO YOU WANT TO KNOW ABOUT THE ASEAN MRA ?

The Board of Accountancy will soon launch an awareness campaign on the ASEAN Mutual Recognition Arrangement (MRA) on Accountancy Services. This would be part of the "ASEAN AWARENESS FOR ACCOUNTANTS" series or the "3A series".

"The ASEAN MRA was signed last November 2014 by all ASEAN member states. It will be a matter of time when the MRA will be implemented and will affect our entire accountancy profession," BoA Chairman Joel Tan-Torres said. "We have been attending meetings of the ASEAN accountancy regulators and a road map has already been formulated that will soon result in the enhanced mobility of ASEAN accountants within the region," Chairman Tan-Torres added.

In order that all stakeholders in the accountancy profession are made aware of these important developments in the MRA, the BoA will be posting information materials on the MRA in its Face Book (FB) and website. Furthermore, flyers and brochures on the MRA will be published and disseminated. The Continuing Professional Development seminars and modules will offer topics on the MRA.

"We need to be prepared and ready to meet the opportunities that the MRA will bring. At the same time, we should all be ready to face the competition from the other ASEAN countries that will result in challenges to our accountants," Chairman Tan-Torres said.

The followers of the BoA FB are encouraged to post questions and topics that they would want to be included in this 3A series. The topics can be also be emailed to boa.secretariat@gmail.com.
